## PROFESSIONAL SUMMARY

B.Tech CSE (Cyber Security) student at SVECW with a 9.68 CGPA, strong foundation in Java, Python, DSA, and Full-Stack Web Development. Solved 200+ LeetCode problems. Built and deployed 3 production-grade full-stack and cybersecurity applications. Seeking internship in software development, full-stack, or cybersecurity roles.

---

## EDUCATION

**Shri Vishnu Engineering College For Women (SVECW)** — B.Tech CSE (Cyber Security) 2024 – Present

CGPA: 9.68/10

**Sri Chaitanya Junior College** — Board of Intermediate Education, AP 2022 – 2024

98.1%

**Lakshmi Bharathi EM School** — Board of Secondary Education, AP 2021 – 2022

97.2%

---

## TECHNICAL SKILLS

**Languages:** Java, Python, C

**Web & Backend:** HTML5, CSS3, JavaScript, React, Next.js, Node.js, REST APIs, JWT Auth, bcrypt

**Database & Tools:** PostgreSQL, SQL, MySQL, Git, GitHub, VS Code, Render, Vercel

**DSA:** 200+ LeetCode problems | Arrays, Strings, Linked Lists, Stacks, Queues, Trees

---

## PROJECTS

**TalentDash — Salary Intelligence Platform** 2026

Next.js, React, PostgreSQL, REST API, ISR, Tailwind CSS | [talentdash-fullstack.onrender.com](https://talentdash-fullstack.onrender.com) | [github.com/manaswini1877/talentdash-fullstack](https://github.com/manaswini1877/talentdash-fullstack)

- Full-stack salary benchmarking platform with 60+ company records, validated REST API, ISR caching, and SEO-optimized sub-2s pages.

**Attack Path Visualizer — Cybersecurity Tool** 2026

React, Node.js, REST API, Network Graph Visualization | [attack-path-visualizer.onrender.com](https://attack-path-visualizer.onrender.com) | [github.com/manaswini1877/attack-path-visualizer](https://github.com/manaswini1877/attack-path-visualizer)

- Cybersecurity dashboard mapping multi-hop attack paths, choke points, and risk scores across network infrastructure with a Mitigation Simulator to estimate security risk reduction.

**InfoNexus — SVECW College Chatbot** 2026

Python, FastAPI, Gemini API, Chroma, React, Google TTS | [svecw-chatbot-frontend.onrender.com](https://svecw-chatbot-frontend.onrender.com) | [github.com/manaswini1877/svecw-chatbot](https://github.com/manaswini1877/svecw-chatbot)

- Bilingual, voice-enabled RAG chatbot answering SVECW admissions and campus queries with grounded, source-cited responses.

---

## CERTIFICATIONS

**Oracle Java Foundations** — Oracle 2026

**IBM Cloud Computing** — IBM 2026

**Introduction to Quantum Computing** — NPTEL 2026

---

## HACKATHONS, CONTRIBUTIONS & LEADERSHIP

**IEEE Summer School of Code 2026** — Open Source Contributor 2026

**Amrita Hackathon | Deknext Hackathon** — Participant 2026

**Project Team Lead** — SVECW 2025

- Led a 4-member team for academic projects, coordinating tasks and ensuring timely milestone delivery.

---

## ACHIEVEMENTS

- CGPA 9.68/10 | 200+ LeetCode problems | Oracle Java Certified | IBM Cloud Certified | NPTEL Quantum Computing Certified
- Deployed 3 production-grade apps (full-stack + cybersecurity) with live URLs as a 3rd-year B.Tech student.
